To Our Friends:

If you are interested in Dahlia seeds, why not buy the best. The ROCKLEIGH GARDENS have the finest stock of Dahlias obtainable in the U. S., and for that reason our customers have obtained results far above expectations.

Recent reports from growers indicate that during the next two years a number of outstanding varieties will be put on the market, all of which are from ROCKLEIGH'S SUPER DAHLIA SEED. Since 1934 our seeds have produced over thirty outstanding named varieties most of which are "HONOR ROLL" and "CERTIFICATE WINNERS".

All seeds shipped by us are guaranteed to be from varieties listed below. When ordering name a second choice, as some varieties do not produce seed. The ROCKLEIGH DAHLIA GARDENS, are the only commercial growers who specialize in seeds.

Named Varieties \$5.00 per 100
